

ENGELS SMITH DAMIRÓN PÉREZ

(829) 860-7207 • engelsdamiron9@gmail.com • <https://engelsdamiron.me>

SUMMARY

Technician in Development and Administration of Computer Systems Applications, graduated from Politécnico Parroquial Betania. Currently studying Cybersecurity Engineering at UNICARIBE. I built websites for local businesses in Santo Domingo through EDP.web and have experience in technical support and data management at FUNDAPEC. I am now independently researching how informal businesses manage their finances, as groundwork for a possible financial management tool.
